

INCREASE **PROFIT** | INCREASE **CENSUS** | IMPROVE **PATIENT OUTCOMES**

PRN Home Health & Therapy offers a full spectrum of Physical, Occupational, and Speech Therapy services in senior residences, medical facilities and in homes throughout Northeast Wisconsin. What to expect:

BETTER PATIENT OUTCOMES

- **Continuity of Care** from facility to home. In addition to contract therapy, PRN Home Health & Therapy offers skilled nursing and therapy in the patient's home.
- **Specialty Care** with support of our highly skilled therapists who hold advanced certifications in LSVT Big & Loud and Lymphedema management.

SEAMLESS INTEGRATION & SUPPORT

- **Customized therapy programs** for your facility's specific needs.
- Our professional therapists **integrate seamlessly** with your team, eliminating disruptions between patient and facility relationships.
- A licensed therapist serves as a **Rehab Coordinator** exclusive to your facility.

**Home Health
& Therapy LLC**

PHYSICAL THERAPY

Improves strength, range of motion, endurance, and coordination.

OCCUPATIONAL THERAPY

Increases independence in activities of daily living, such as dressing and bathing.

SPEECH – LANGUAGE PATHOLOGY

Maximizes communications and cognitive skills, enhances swallowing ability, and helps aid in adjustments to hearing loss.

Home Health & Therapy LLC

INCREASE **PROFIT** | INCREASE **CENSUS** |
IMPROVE **PATIENT OUTCOMES**

- Provide maximum allowable treatment minutes to improve patient outcomes and decrease length of stays.
- Increase outpatient caseload.
- Cohesive therapy and nursing team will follow the patient home.
- PRN will partner to maximize facility efficiency.

ADVANCED MODALITIES

Advanced Modalities such as electronic stimulation, ultrasound, shortwave diathermy, and variable muscle stimulation compliment traditional therapy services to more aggressively treat conditions.

ADVANCED CERTIFICATIONS

LSVT BIG & LOUD

A personalized therapy program which excels in improving speech and voice functionality as well as gait, posture, and balance for those living with Parkinson's Disease and other neurological conditions.

LYMPHEDEMA MANAGEMENT

A comprehensive program that includes manual therapy, compression bandaging, exercise, skin care, and client and staff education. Our clients see positive outcomes in the areas of self care skill independence, skin integrity, circulation, pain management, mobility, safety and increased self-esteem.
