

Part Time/PRN Home Health RN

PRN Home Health & Therapy is a reputable family-owned company specializing in home-health. We treat our patients with compassion and respect by taking time to get to know the people we care for. We are looking for a Part-Time/PRN Home-Health Registered Nurse (RN). The ideal applicant has 1-2 years of home-health experience OR a proficient level of multiple different clinical skills including but not limited to: IV infusion (peripheral and central line), wound care (trauma, diabetic, pressure and venous ulcers), catheter maintenance, tube feeding, drain care and others.

Summary Statement

The Home-Health RN works under the supervision of the Director of Nursing. RNs will provide quality skilled nursing care to patients in their homes. RNs are expected to comply with the Standards of Practice for Registered Nurses and Licensed Practical Nurses.

Responsibilities and Duties

- Assess, plan, implement, and evaluate the nursing care provided in the area assigned.
- Document assessments, interventions and patient reactions/responses.
- Implement nursing care plan and medical plan of care as delegated.
- Travel in Northeast Wisconsin (Green Bay/ Fox Valley/ Fond du Lac) to assigned patients' homes.
- Manage patient caseload through effective time management.
- Perform Care Manager responsibilities as needed.
- Anticipate variables affecting patient care.
- Evaluate effects of nursing and medical intervention/activities.
- Work with other disciplines to progress patient care.
- Guide care given by other personnel on the nursing health care team as requested.
- Seek education opportunities to increase clinical competence.

Education Requirements

- Graduate of an accredited school of nursing
- CPR (American Heart Association) upon hire and appropriate renewal
- CEUs as required by state licensure regulations
- Client specific training
