

Home Health & Therapy

EXTRAORDINARY PEOPLE. EXCEPTIONAL CARE

LLC

PRN Home Health & Therapy is a reputable family-owned company specializing in home-health. We treat our patients with compassion and respect by taking time to get to know the people we care for. We are looking for an **On-Call Home-Health Registered Nurse (RN)**.

Summary Statement: The On-Call RN works under the supervision of the Director of Nursing. The On-Call Registered Nurse is responsible for providing skilled nursing, intervention, and supportive care to patients in the home setting for evening, weekend and holidays. RNs are expected to comply with the Standards of Practice for Registered Nurses and Licensed Practical Nurses.

Responsibilities and Duties

- Assume primary responsibility for PRN Home Health & Therapy total census during assigned shift.
- Answer all phone calls received on behalf of the company, and follow up according to company policies and procedures.
- Provide skilled nursing, intervention, and supportive care to patients in the home setting.
- Maintain regular communication with company staff and the patient's referring physician and/or case manager concerning patient/family care needs and response to interventions.
- Maintain up-to-date patient records so that problems, goals and interventions are accurately and clearly stated and changes are reflected as they occur.
- Complete documentation within company guidelines and to meet regulatory requirements. Submit completed documentation within one business day after on-call services are provided.
- Accept referrals for new patients in accordance with the company's policies and procedures.
- Communicate regularly with company nursing staff to review problems or unique issues from on-call hours.
- Participate in the company's orientation and in-service training programs for professional staff.
- Participate in company's performance improvement activities and marketing and community programs as requested, to promote professional growth and understanding of home health care.
- Demonstrate familiarity with policies of the agency and rules and regulations of State and Federal bodies which aid in determining policies.
- Perform specific assignments as directed.
- Guide care given by other personnel on the nursing health care team as requested.
- Ability to remain within 45 miles of the company's service area while on-call.

Education Requirements

- Current Registered Nursing Wisconsin License
- Graduate of an accredited school of nursing
- CPR (American Heart Association) upon hire and appropriate renewal
- CEUs as required by state licensure regulations

Experience:

- Home Health: 1 year
- nursing: 1 year
